

January 2009

Winter is quickly passing by and Rodeo season will be here before we know it. It has been rather quiet around the round up club with the exception of the play day awards banquet in December. If you were not able to attend the meeting you missed a lot of fun and some great awards. I want to be sure and thank all of the people who helped coordinate this banquet as well as the BRUC sponsors who helped make the funds available for such great awards.

As always, for those who have been involved, I want to thank you for your time and service to a great organization. We have started planning for 2009 and want to invite everyone out to the monthly board meetings so that you can be involved in the decision making that determines the direction the club is going. We meet the first Thursday of every month and hope to see you there.

Sincerely,
Clint Sumner
President BRUC

Buckles are coming soon!

Upon request we went searching for unique buckles to give this year. We did find them with Frontier Buckles, however when the order arrived some of them had mistakes. Frontier placed the wrong image on several buckles. Frontier contacted Clint last week and told him the correct buckles were almost done and will be shipped shortly.

Once the buckles arrive I will give you a call and we can make arrangements for you to receive your buckle. The first agreement with Frontier was that you were able to keep your "wrong" buckle, however now we are required to pick up the wrong buckle when you receive your correct buckle.

I'll be in touch soon!

-Vicki Madden
BRUC Secretary
